PROFILE

Dynamic professional with 15 years of experience in customer service and operations management, adept at driving efficiency and enhancing customer satisfaction in fast-paced environments. Proven ability to lead teams, manage inventory, and uphold high standards of safety and cleanliness. Skilled in HTML, CSS, and JavaScript, with a strong foundation in project management, ready to leverage technical expertise in a front-end development role. Committed to delivering high-quality results while fostering a collaborative team atmosphere.

EMPLOYMENT HISTORY

Service employee at Shell Nannestad, Nannestad

Aug 2012 — Oct 2014

- Independently managed full shifts, overseeing the daily operation of the station, including customer service, sales, and store maintenance.
- Prepared hot food items according to Shell's hygiene and safety guidelines, ensuring consistent quality.
- Maintained high standards of cleanliness across the store, including pumps, restrooms, kitchen, and public areas.
- Upheld strict safety protocols related to fuel handling, fire prevention, and emergency procedures.
- Managed inventory restocking, product rotation, and merchandising during quiet periods.
- Operated the cash register, processed transactions, and assisted customers with a wide range of queries.

shift leader / closing manager at Kiwi maura, Maura, Nannestad

Jan 2015 — Aug 2018

- Entrusted with full opening and closing procedures, including alarms, cash handling, and store security.
- Ensured a welcoming and efficient store environment through proactive customer assistance and problem solving.
- Handled stock replenishment, inventory rotation, and merchandising according to company standards.
- Processed transactions, returns, and support tasks at checkout with a high degree of accuracy.
- Collaborated with shift leaders to maintain smooth operations during peak hours.

EDUCATION

Certificate of Apprenticeship in Hestefag, Hvam Videregående, Gjerdrum

Aug 1999 — Aug 2001

Graduated with High honors.

Qualified in professional horse care, including stable operations, feeding and health routines, grooming, training assistance, safety procedures, and equine welfare. Experienced with daily management of horses, stable environments, and practical work on equine facilities.

Webmaster, It-Akademiet, Strømmen

Aug 2001 — Jun 2002

Completed a comprehensive one-year education in web design and digital production. Coursework included Adobe Photoshop for image editing, Adobe Flash for interactive animations, Adobe Dreamweaver for website building, and fundamental design principles such as layout, color theory, typography, and user-friendly interface design.

CCNA, It-Akademiet, Bryn, Oslo

Jan 2005 — Dec 2006

Completed 1.5 years of Cisco networking studies, including full CCNA curriculum and partial CCNP-level training. Gained skills in routing, switching, network protocols, LAN/WAN principles, troubleshooting, and network security fundamentals.

Front End Developer, Noroff School of technologies, Oslo

Jan 2025 — Dec 2026

Engaged in a comprehensive two-year education in front-end development, including HTML, CSS, JavaScript, UX/UI design, Git/GitHub, REST APIs, React, CMS integration, testing, and modern development practices.

Hands-on projects include building full websites, single-page applications, and interactive user interfaces following industry standards.

EXTRA-CURRICULAR ACTIVITIES

Chairperson — Nannestad Equestrian Club at Nannestadhestesportklubb, Nannestad

Dec 2018 — Mar 2025

- Managed the board and collaborated closely with volunteers, trainers, riders, and external partners to support club activities and long-term growth.
- Oversaw safety procedures, facility organization, and daily club operations to ensure a professional and welcoming environment for all members.
- Successfully led multiple large-scale competition projects, including **national and international FEI endurance events**, coordinating logistics, officials, veterinarians, timing teams, sponsors, and volunteers.
- Responsible for project planning, risk management, and compliance with FEI rules and regulations for endurance competitions.
- Built strong community relationships and represented the club in meetings with federations, sponsors, and local authorities.
